TravAmogh

KARNATAKA / 2 DAYS

Honnavar and Murudeshwar Coast

A quiet beach day in Honnavar followed by a boat-and-dive outing from Murudeshwar.

DAY 1

Honnavar and the Sharavathi backwaters

Morning

Start at Kasarkod Eco Beach

Spend the cooler part of the day on the shore and leave time for a leisurely breakfast or lunch.

Read the TravAmogh story

Afternoon

Explore the backwaters

If access is open, choose the mangrove boardwalk or a Sharavathi backwater visit. Confirm where you need to meet the dive operator the next morning.

DAY 2

Murudeshwar and Netrani Island

Operator's meeting time

Meet your operator in Murudeshwar

Confirm the exact departure point, eligibility, what equipment is included, and the plan if sea conditions cancel the trip.

Allow most of the day

Boat to Netrani Island

Karnataka Tourism lists around 90 minutes by boat from Murudeshwar, depending on weather. Amogh's crossing also took about 90 minutes. Allow extra time for briefings, the water session and the return.

Before you go

- Check conditions and confirm your booking before arranging the rest of the trip.
- If the boat is canceled, spend the day ashore around Murudeshwar.
