TravAmogh

KERALA / 2 DAYS

Varkala Cliffs and Backwaters

Give the coast and the backwaters their own days, with cliff walks in Varkala and a boat outing on Munroe Island.

DAY 1

Varkala cliff and shore

Morning

Walk the cliff and stop for a meal

Take the cliff path at your own pace. Choose a cliffside cafe or walk down to Papanasam Beach using an open access path.

Read the TravAmogh story

Late afternoon

Spend sunset at the coast

Stay on the cliff or take a shore walk where access is open. Follow posted guidance if entering the water.

DAY 2

Munroe Island backwaters

Morning

Travel to Munroe Island in Kollam

Confirm the meeting point and arrange your return before setting off. Keep the transfer separate from the time on the water.

Booked slot

Take a guided canoe ride

Allow time to float through the narrow canals and see the village from the water. Ask the operator about conditions and the length of your outing.

Before you go

- Allow extra days for your journey in and out. Amogh's trip from Bengaluru took about 14 hours on his visit.
- Confirm your local connections and boat departure before locking in an onward train or ride.
